

**Think spring & think hair free for a carefree summer!**

Spring is an excellent time to begin a series of laser treatments for either hair removal or skin resurfacing. Laser treatments are best done when we can minimize our exposure to the sun. Start today & plan for tomorrow to achieve silky smooth legs and a look that is more radiant and youthful.

Buy 5 same treatments & receive one same treatment FREE..  
Series packages are good for:

Laser hair removal treatments starting at \$75 per treatment.

Lip & Chin	Bikini	Full legs, half legs
Chest & Back	Toes	Underarms

Clear & Brilliant® skin resurfacing starting at \$300 per treatment.

Purchase a series of five treatments now through March 31 & receive your one Free treatment PLUS receive a Free Skin Ceuticals® Epidermal Repair treatment (a \$68 value) while supplies last.

Thinking about laser hair removal for those stubborn chin hairs?

**Lasers cannot target GREY hair,**

so begin your treatments before it is too late. Laser treatment for hair removal targets the hair at its root and seeks hair that is darker in color than grey or blonde.
